

Jones Paintsil

Ph.D. Candidate in Economics • Applied Microeconomics: Energy, Environment, Development & Firm Behavior

☎ +1 (240) 889-0823 ✉ arkohjones@gmail.com 🌐 Website 🌐 LinkedIn

EDUCATION

- Howard University** *August 2022 - Present*
Ph.D., Economics (expected Fall 2026)
– Fields: Applied Microeconomics; Development & Health Economics. Washington, DC
- Howard University** *August 2022 - May 2025*
M.A., Economics Washington, DC
- University of Cape Coast** *August 2017 - May 2019*
M.S., Economics Cape Coast, Ghana
– Thesis: *Effect of Financial Exclusion on Poverty.*
- University of Cape Coast** *September 2012 - May 2016*
B.A., Economics and Mathematics Cape Coast, Ghana

RESEARCH INTERESTS

Applied Microeconomics • Development Economics • Health Economics • Applied Econometrics

RESEARCH EXPERIENCE

- The World Bank Group** *December 2024 - Present*
Consultant, Enterprise Analysis Unit Washington, DC, US
– Conduct independent applied-microeconometric research using World Bank Enterprise Survey firm microdata; procure, harmonize, clean, and document datasets for replicable analysis.
- Association for Advancement of African Women Economists (AAWE)** *August 2021 - August 2022*
Research Assistant USA
– Built econometric models and led data cleaning and analysis, co-authoring *Financial Liberalization and Its Implications for Private Savings in Sub-Saharan Africa* (UNU-WIDER; Oxford University Press, 2025).
- Ghana Statistical Service** *November 2020 - September 2021*
Supervisor, Ghana Population and Housing Census Accra, Ghana
– Generated actionable reports for field teams addressing gaps, errors, and GPS issues, achieving approximately 30% increase in data accuracy through comprehensive headquarters reporting.
- University of Cape Coast** *2019 - 2021*
Research Assistant Cape Coast, Ghana
– Co-authored five peer-reviewed publications – in *Economic Modelling*, *PLoS ONE*, and *BMC Women's Health*
– contributing econometric modeling, data cleaning, and literature reviews.

TEACHING EXPERIENCE

- Howard University** *Spring 2026*
Instructor of Record, Business Statistics Washington, DC
– Sole instructor for undergraduate business statistics: descriptive statistics, probability distributions, hypothesis testing, regression analysis, and statistical inference.
- University of Cape Coast** *August 2020 - December 2020*
Instructor, Research Methods (MBA) Cape Coast, Ghana
– Taught research methods to MBA students using Stata for bivariate and multivariate analysis; managed assessment and grading.
